Claims submission

As regular stale-dating rules will apply, please ensure your bonus claims are submitted prior to the claims processing cut-off date in September 2007. Claims for these five (5) bonus categories received after the cut-off date will not be processed for payment.

Please note that physicians should submit bonus claims using the normal billing practices used to submit Fee for Service claims. Details for submitting bonus claims are included in the enclosed *Information for Procedures for Claiming the Cumulative Preventive Care Bonus* document.
